**IATP STATEWIDE
CONFERENCE AND EXPO**
Discover the Possibilities

The Illinois Assistive Technology Program is pleased to announce the Call for Presentations for our upcoming **2019 Statewide Conference and Expo - Discover the Possibilities**.

We are seeking session presentations that demonstrate how assistive technology devices or services can be used across primary purpose areas of Education, Employment and Community Living. Presentations should focus on innovative, evidence-based approaches that develop and improve inclusion, productivity and independence. Each session will be 1 hour in length.

Proposals must be submitted on this fillable PDF form, and emailed to **expo@iltech.org**. **Submission deadline is January 31, 2019**. Presenters will be notified of acceptance by Feb. 15, 2019.

If you have any questions, please contact Susy Woods at **217-638-8411**.
