Company / Agency	Service or Product Description
E. M. VITU, Inc. Booth 200 & 201	E. M. Vitu, Inc. offers access technology for persons with visual impairment. Products provide access to PC as well as printed materials. They include Braille displays, note-takers and embossers, desktop and handheld OCR to speech and CCTV's as well as low vision music access.
Family Benefit Solutions Booth 202	Family Benefit Solutions is dedicated to the protection and financial well-being of families with special needs. We help secure and maintain available benefit assistance programs (SSI, SSDI, Medicaid, Medicare, HBWD, 1619, etc.), and help to preserve the family's resources. We offer complimentary seminars for families and for professionals to help them navigate the government benefit arena.
Great Lakes ADA Booth 302	Technical Assistance and Training on the Americans with Disabilities Act of 1990. The services are aimed at promoting voluntary compliance and promoting full inclusion of persons with disabilities in their communities and the workplace. Target audiences include business, government, educators, service providers, architects and designers as well as people with disabilities and their families.
Half Moon Outdoors Booth 106	The Action Track all-terrain wheelchair patented for its design and functionality, with features unmatched on any other.
Harris Communications Booth 104	Based in Eden Prairie, Minnesota, Harris Communications, Inc. is a leading supplier of hearing loss solutions for people with all levels of hearing loss. Since its founding in 1982 by Dr. Robert Harris, himself a member of the Deaf community, Harris Communications has helped millions of Deaf and hard of hearing customers enjoy their lives to the fullest by providing expert advice and a wide range of more than 2,000 assistive devices and educational resources. The company's product line includes alerting devices, phone and TV amplifiers, personal amplification and more.

Saturday 9:00 - 3:30

Company / Agency	Service or Product Description
Illinois ABLE Booth 102	ABLE stands for “Achieving a Better Life Experience” and refers to savings and investment accounts that eligible people with disabilities can own for the purpose of financing qualified expenses. ABLE account owners can save and invest their private funds without losing their ability to benefit from SSI, SSDI, Medicaid and other federal programs.
Illinois Assistive Technology Program (IATP) Booth 105	IATP’s mission is to increase access to and acquisition of AT devices and services for individuals of all ages with disabilities. Our goal is to improve the quality of life of all Illinoisans with disabilities and enable them, through greater access of AT devices, to fully participate in all aspects of life.
Illinois CIL’s - Voter Registration Booth Booth 316	Get registered to vote!
Illinois Department on Aging Booth 214	The Illinois Department on Aging helps older adults live independently in their own homes and communities. As the population ages, services and programs for older adults must evolve as well because longevity means more when quality of life is enhanced. To best serve older adults, we must also serve their families and teach younger people about the realities of aging, so many of our programs have an intergenerational emphasis. Working with Area Agencies on Aging, community-based service providers and older adults themselves, the Illinois Department on Aging strives to improve quality of life for current and future generations of older Illinoisans.
Illinois School for the Deaf Outreach Booth 207	Statewide resource for information, training, and technical assistance for children who are deaf/hard of hearing.
Illinois State Board of Education (ISBE) Booth 304	The Illinois State Board of Education partners with school districts to provide programs and services for students with specialized educational needs. The Special Education Services division assures that these programs and services meet state and federal requirements. This involves both compliance and technical assistance functions.
